## Here's what comes next:

1

The specialty pharmacy will contact you by phone within a week of receiving your prescription to review your coverage and help enroll you in financial assistance (if eligible). Save your specialty pharmacy's phone number so you don't miss future calls:

**Biologics by McKesson** 1-833-TAVNEOS (833-828-6367), option 2

**PantheRx** 1-833-TAVNEOS (833-828-6367), option 3

Specialty drugs like TAVNEOS often require a prior authorization from your insurance company. The specialty pharmacy will keep you up to date on progress and will reach out to coordinate delivery of TAVNEOS to your home.

### Your specialty pharmacy can:

Help you understand insurance benefits

Assist eligible commercially insured people with enrolling in the TAVNEOS Copay Program, which can lower monthly out-of-pocket costs\* to as little as \$0 for a month's supply of TAVNEOS

Assist with screening to provide medication to eligible people who do not have insurance but meet other program criteria

Answer your questions around starting and taking TAVNEOS, and enroll you into available text programs

Once you're approved, **your specialty pharmacy will contact you each month** to schedule delivery of TAVNEOS. **It's important to answer the phone.**

\*Eligibility criteria and program maximums apply. See [www.tavneospro.com/copay](http://www.tavneospro.com/copay) for full Terms and Conditions.
